

## Around the World

Your Name \_\_\_\_\_ # \_\_\_\_\_  
**Fellow Travelers:**

---

---

---

For our trip around the world, this is continent # \_\_\_\_\_.

The continent we are traveling to is \_\_\_\_\_.

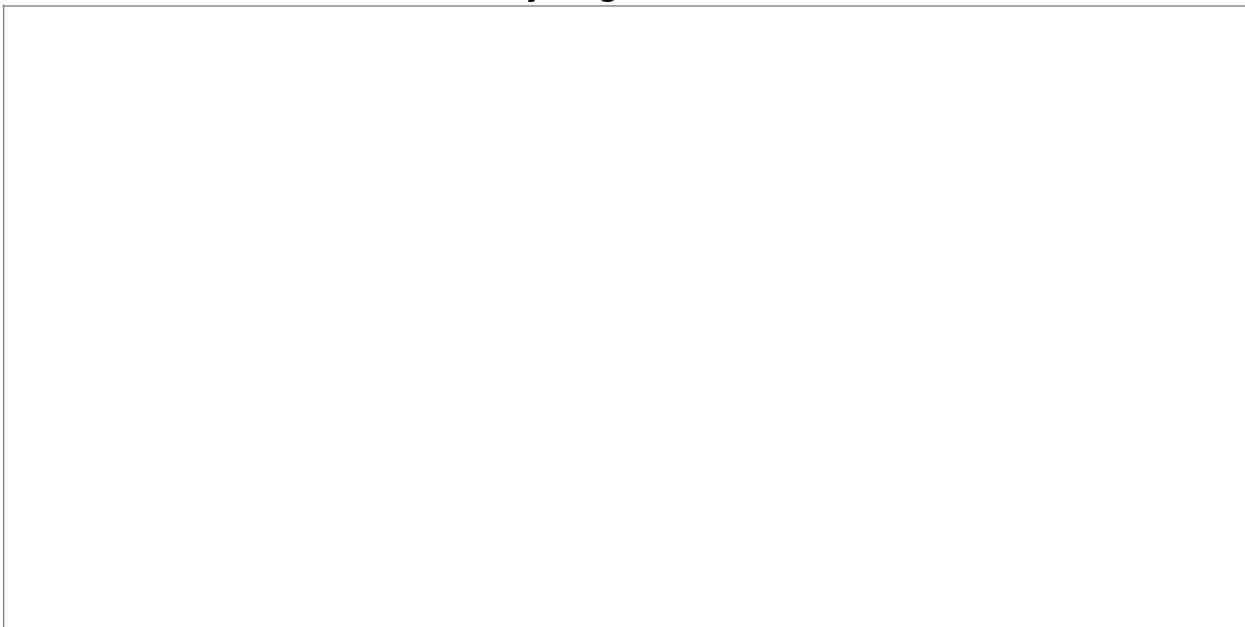

The two countries we will visit on this continent are:

1. \_\_\_\_\_

2. \_\_\_\_\_

**This is country #** \_\_\_\_\_

### Country Flag

## Around the World Planning Guide #1

Name \_\_\_\_\_ # \_\_\_\_\_

**Our first continent is \_\_\_\_\_**

For this continent your entire group has a budget of \$\_\_\_\_\_. This will have to cover all your transportation, food, and accommodation expenses.

Our first destination is the country of \_\_\_\_\_.

### **Part 1: Planning your flight to your first country.**

Your group will be flying from Vancouver to a city in your first country.

We will be flying to the city of \_\_\_\_\_.

The cost of a one way airplane ticket to this country for one person is \$\_\_\_\_\_.

What is the currency for this country? \_\_\_\_\_.

What is the exchange rate? **1 Canadian dollar is \_\_\_\_\_.**

### **Part 2: Choose a place to stay.**

We have decided to stay at \_\_\_\_\_ for five nights.

This will cost a total of \$ \_\_\_\_\_ for our entire group. Make sure you can accommodate everyone.

### **Part 3: How much will it cost to eat.**

Conduct some research and determine what your eating budget will be per day.

For three meals per day, the cost will be approximately \$\_\_\_\_\_.

### **Part 4: Transportation.**

You will need to get around the city for five days using taxis and the public transit system. Research the costs and estimate how much this will cost you.

Total Amount for taxis: \_\_\_\_\_

Total Amount for public transportation \_\_\_\_\_

### Budget

	Country 1	Country 2

**GRAND TOTAL: \$** \_\_\_\_\_

We were \_\_\_\_\_ . (Choose from *under budget*, *over budget* or *on budget*)

# Planning the Trip: Luggage

For this country, I will need to pack:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.
- 9.
- 10.

The airline we are flying is: \_\_\_\_\_

**They have the following carry on baggage allowances per passenger:**

**After you plan what you think you should bring we will test weigh once in class to see if this is within the allowed baggage allowance.**

I estimate that my carryon will weigh \_\_\_\_\_ kilograms.

The test carryon actually weighed \_\_\_\_\_ kilograms.
